

SIMPPLE

# SIMPPLE COCKPIT

Tutorial-Basic Navigation

# Main Log-in Page

The screenshot shows the main login page of the SIMPPLE application. The browser address bar displays `https://sg.simpplle.app/admin/login`. The page features the SIMPPLE logo with the tagline "SIMPLIFYING PROCESSES FOR PEOPLE". Below the logo is an illustration of a city street with buildings, trees, and people. On the right side, there is a login form with two input fields: "E-mail" and "Password". The "E-mail" field contains the text `uoftcockpit@simpplle.app`. The "Password" field is masked with dots. A red rounded rectangle highlights both input fields. Below the form is an orange "LOGIN" button.

**SIMPPLE**  
SIMPLIFYING PROCESSES FOR PEOPLE

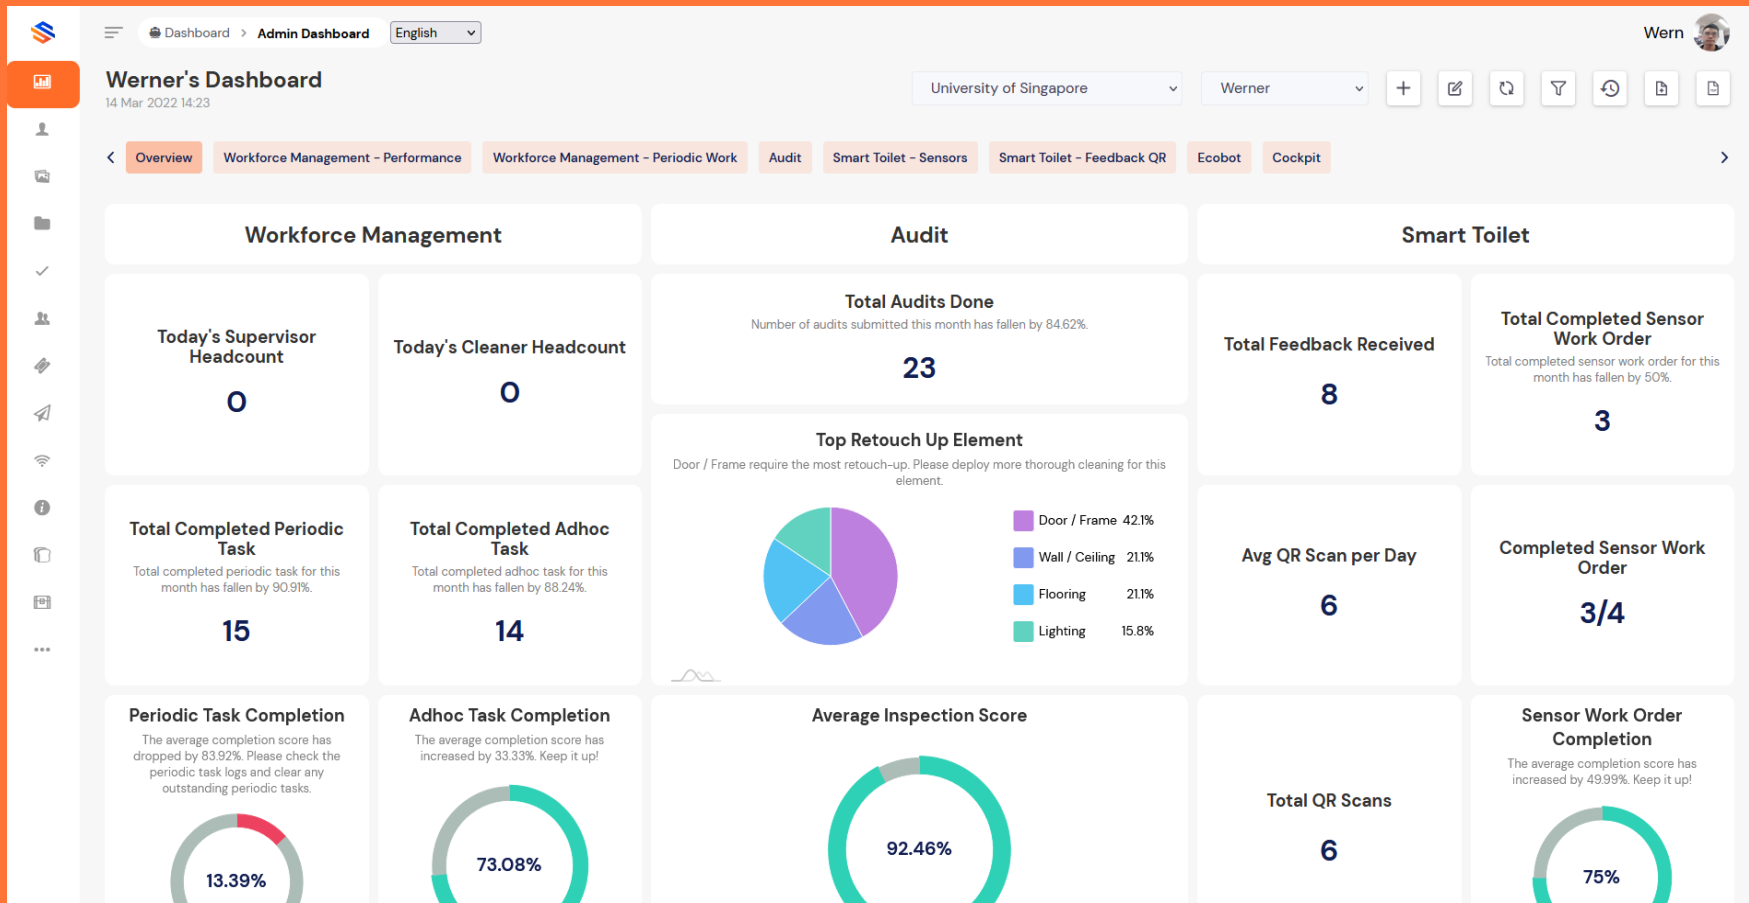

**E-mail**  
uoftcockpit@simpplle.app

**Password**  
.....

LOGIN

Go to "sg.simpplle.app", fill up the email and password to access the Cockpit.

# Dashboard Overview Page

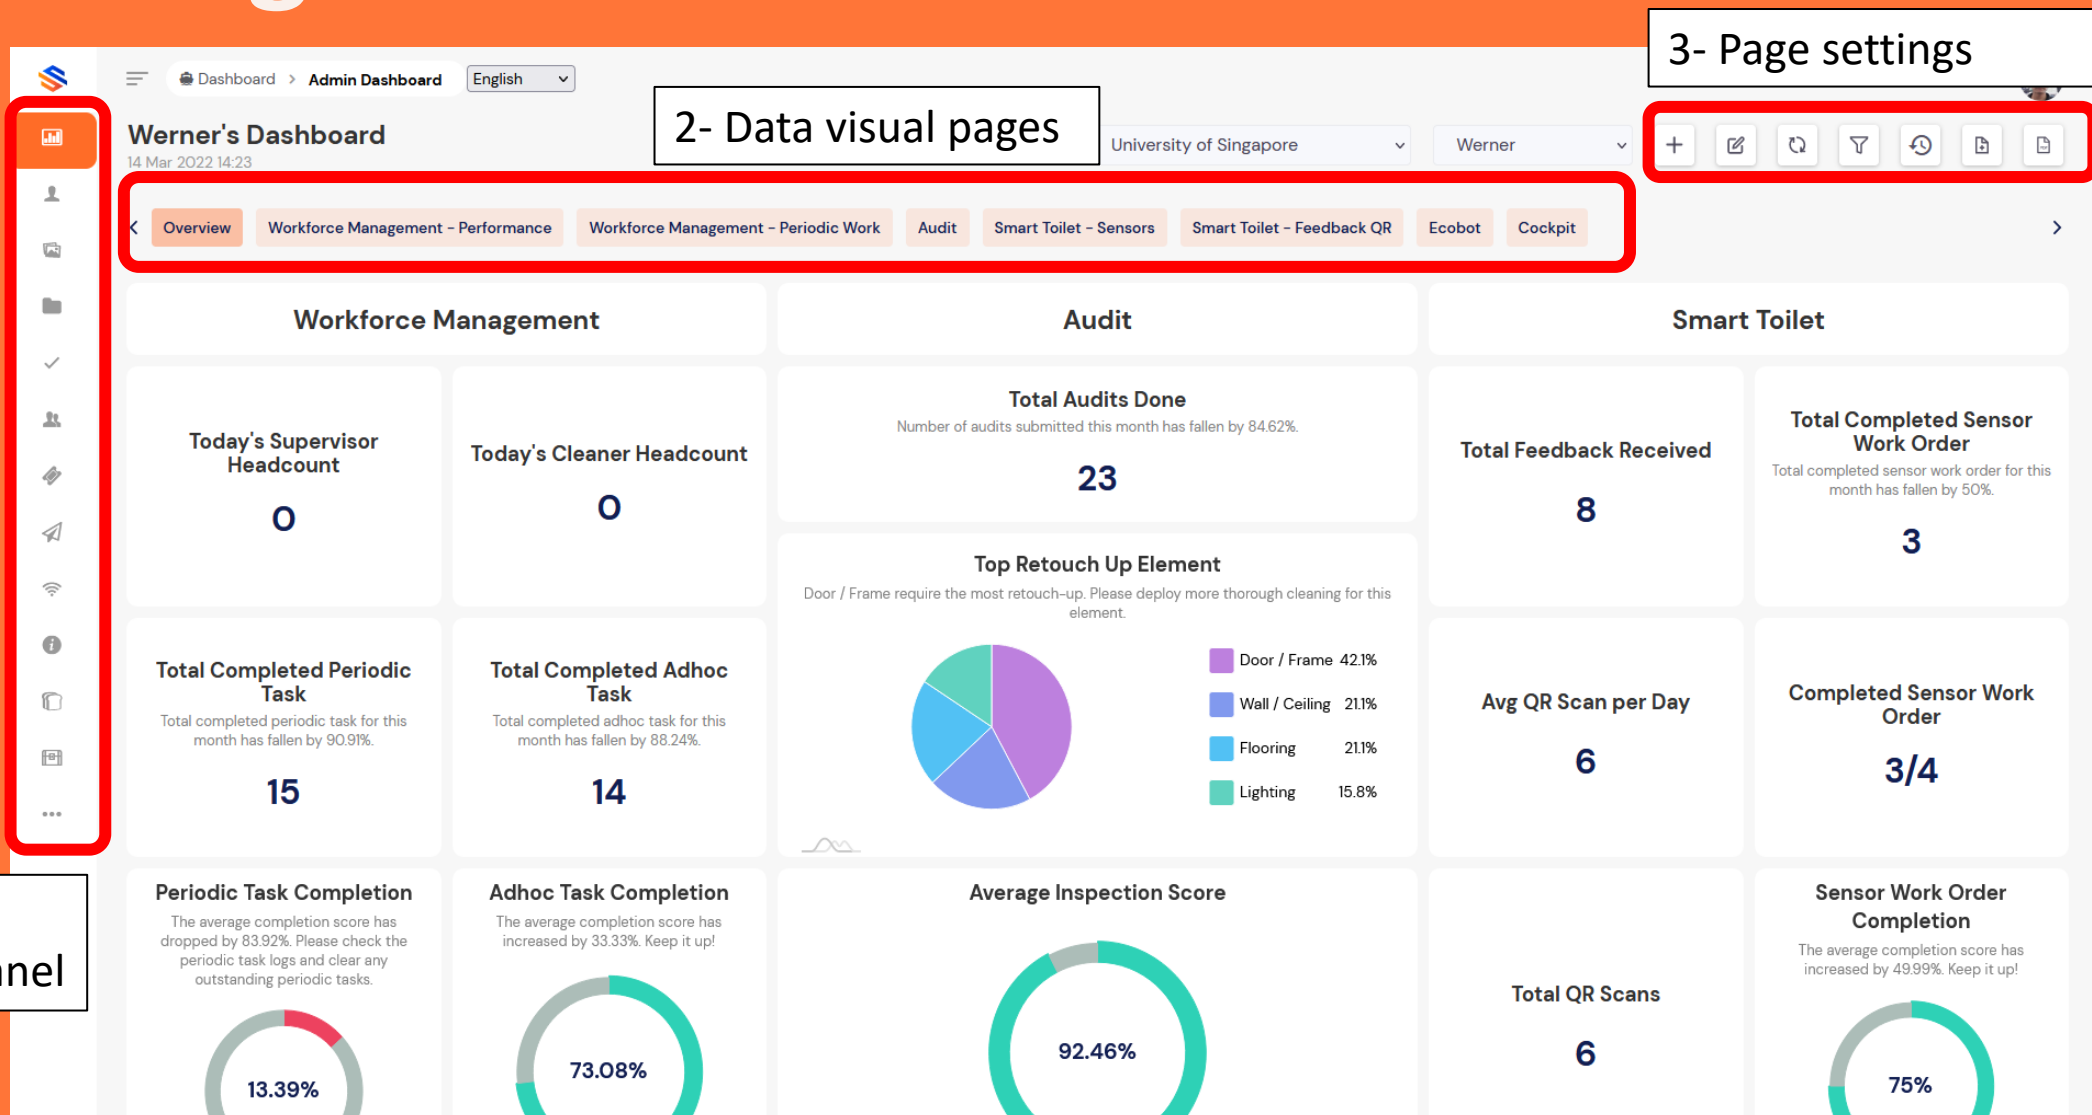

Sample overview of the dashboard for a sample site.

The dashboard allows management an overview on the health and status of their building.

Depending on the modules adopted on site, the dashboard visuals and data will vary.

# Navigation Guide

The screenshot displays the 'Werner's Dashboard' interface. Three red boxes highlight key navigation elements:

- 1 – Side menu panel:** A vertical sidebar on the left containing icons for various dashboard sections.
- 2- Data visual pages:** A horizontal tab bar below the dashboard header, listing sections like Overview, Workforce Management, Audit, and Smart Toilet.
- 3- Page settings:** A toolbar on the top right with icons for adding, editing, refreshing, and other page actions.

The dashboard content includes several data visualizations:

- Workforce Management:** Cards for 'Today's Supervisor Headcount' (0) and 'Today's Cleaner Headcount' (0). Below are 'Total Completed Periodic Task' (15) and 'Total Completed Adhoc Task' (14).
- Audit:** 'Total Audits Done' (23) with a note that the number of audits submitted this month has fallen by 84.62%. A 'Top Retouch Up Element' pie chart shows: Door / Frame (42.1%), Wall / Ceiling (21.1%), Flooring (21.1%), and Lighting (15.8%).
- Smart Toilet:** 'Total Feedback Received' (8), 'Total Completed Sensor Work Order' (3), 'Avg QR Scan per Day' (6), and 'Completed Sensor Work Order' (3/4).
- Task Completion:** 'Periodic Task Completion' (13.39%) and 'Adhoc Task Completion' (73.08%) are shown with donut charts.
- Inspection Score:** 'Average Inspection Score' (92.46%) is shown with a donut chart.
- QR Scans:** 'Total QR Scans' (6) and 'Sensor Work Order Completion' (75%) are shown with donut charts.

# Page Settings

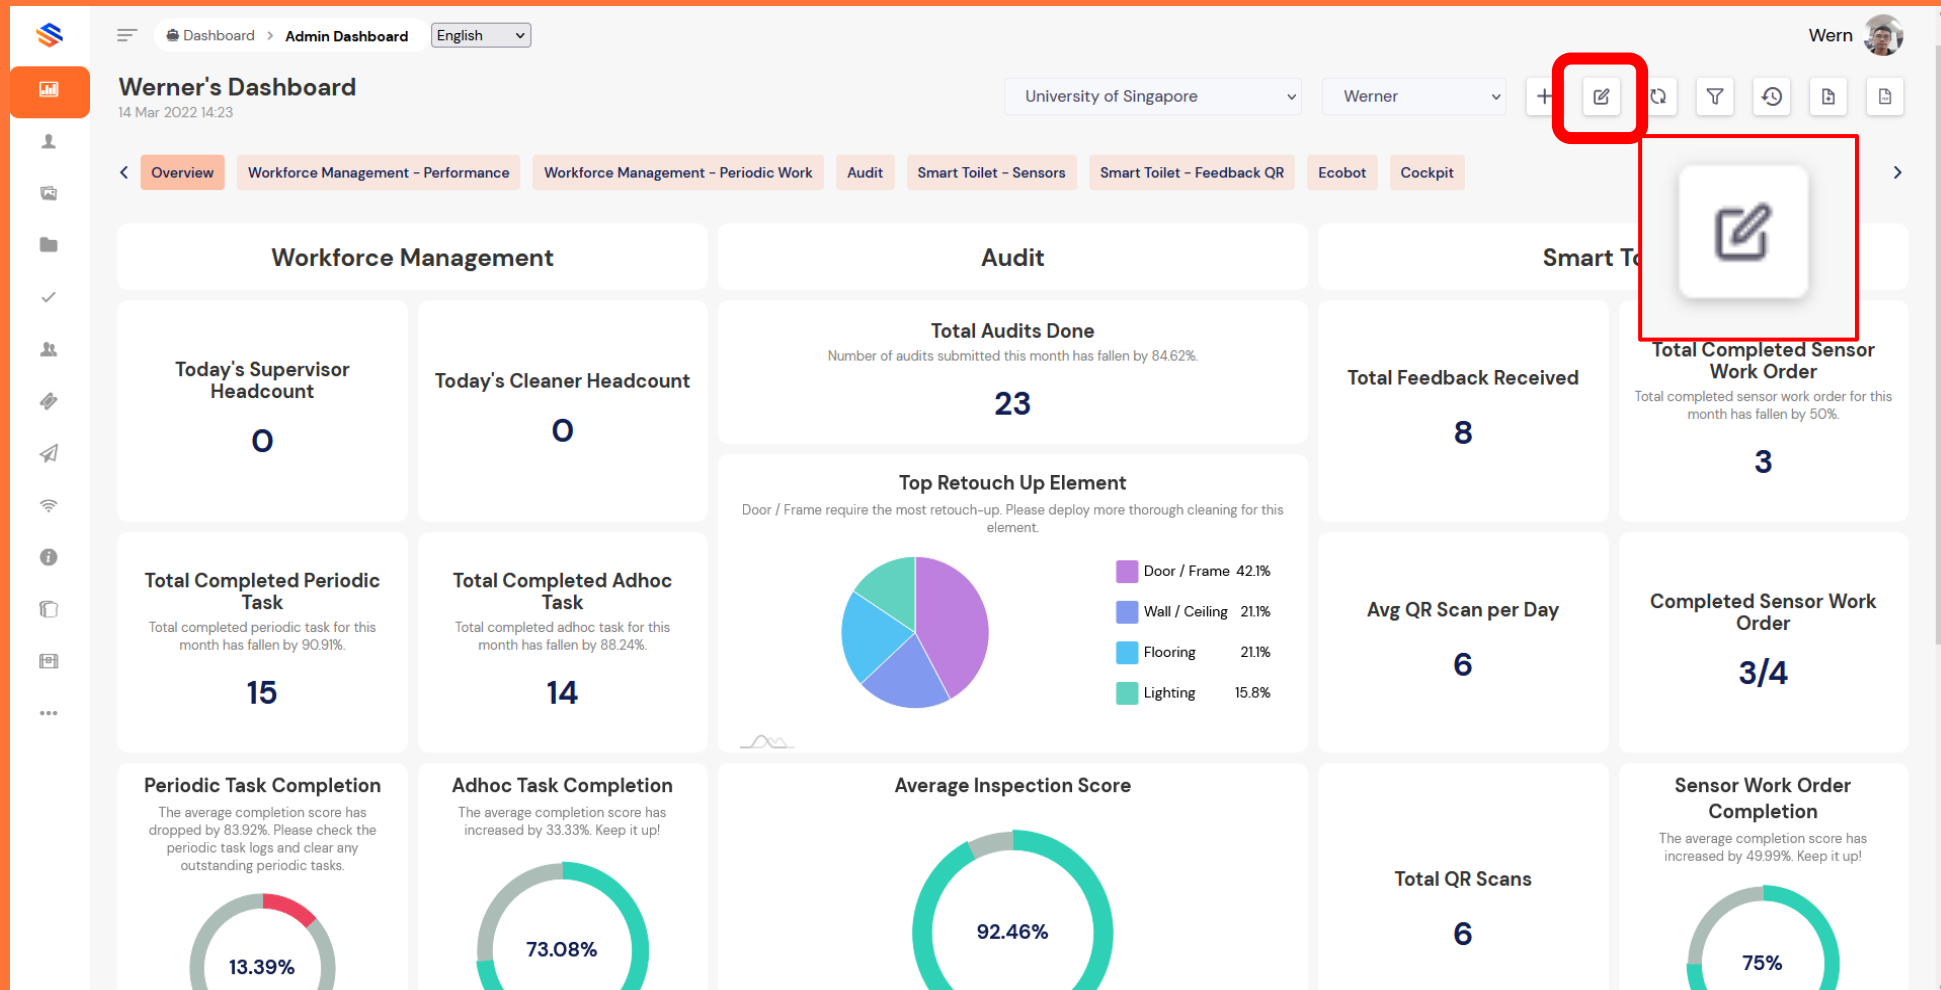

The screenshot displays the 'Werner's Dashboard' interface. The top navigation bar includes 'Dashboard > Admin Dashboard' and a language dropdown set to 'English'. The dashboard is divided into two main sections: 'Workforce Management' and 'Audit'. The 'Workforce Management' section shows 'Today's Supervisor Headcount' (0) and 'Today's Cleaner Headcount' (0). The 'Audit' section shows 'Total Audits Done' (23) and a pie chart for 'Top Retouch Up Element' with data: Door / Frame (42.1%), Wall / Ceiling (21.1%), Flooring (21.1%), and Lighting (15.8%). Other metrics include 'Total Completed Periodic Task' (15), 'Total Completed Adhoc Task' (14), 'Avg QR Scan per Day' (6), 'Completed Sensor Work Order' (3/4), 'Periodic Task Completion' (13.39%), 'Adhoc Task Completion' (73.08%), 'Average Inspection Score' (92.46%), 'Total QR Scans' (6), and 'Sensor Work Order Completion' (75%).

Overlaid on the dashboard is a 'Page Settings' menu. This menu is accessible via a red-bordered toolbar at the top right of the dashboard content area. The toolbar contains icons for: Add Page (+), Edit Current Page (pencil), Refresh Page (circular arrow), Date Filter (funnel), Revert Changes (clock), and Export Page as PDF (document with download icon). The 'Page Settings' menu itself is a separate window that also contains these same icons, each with a corresponding label: 'Add Page', 'Edit Current Page', 'Refresh Page', 'Date Filter', 'Revert Changes', and 'Export Page as PDF'.

| Element        | Percentage |
|----------------|------------|
| Door / Frame   | 42.1%      |
| Wall / Ceiling | 21.1%      |
| Flooring       | 21.1%      |
| Lighting       | 15.8%      |

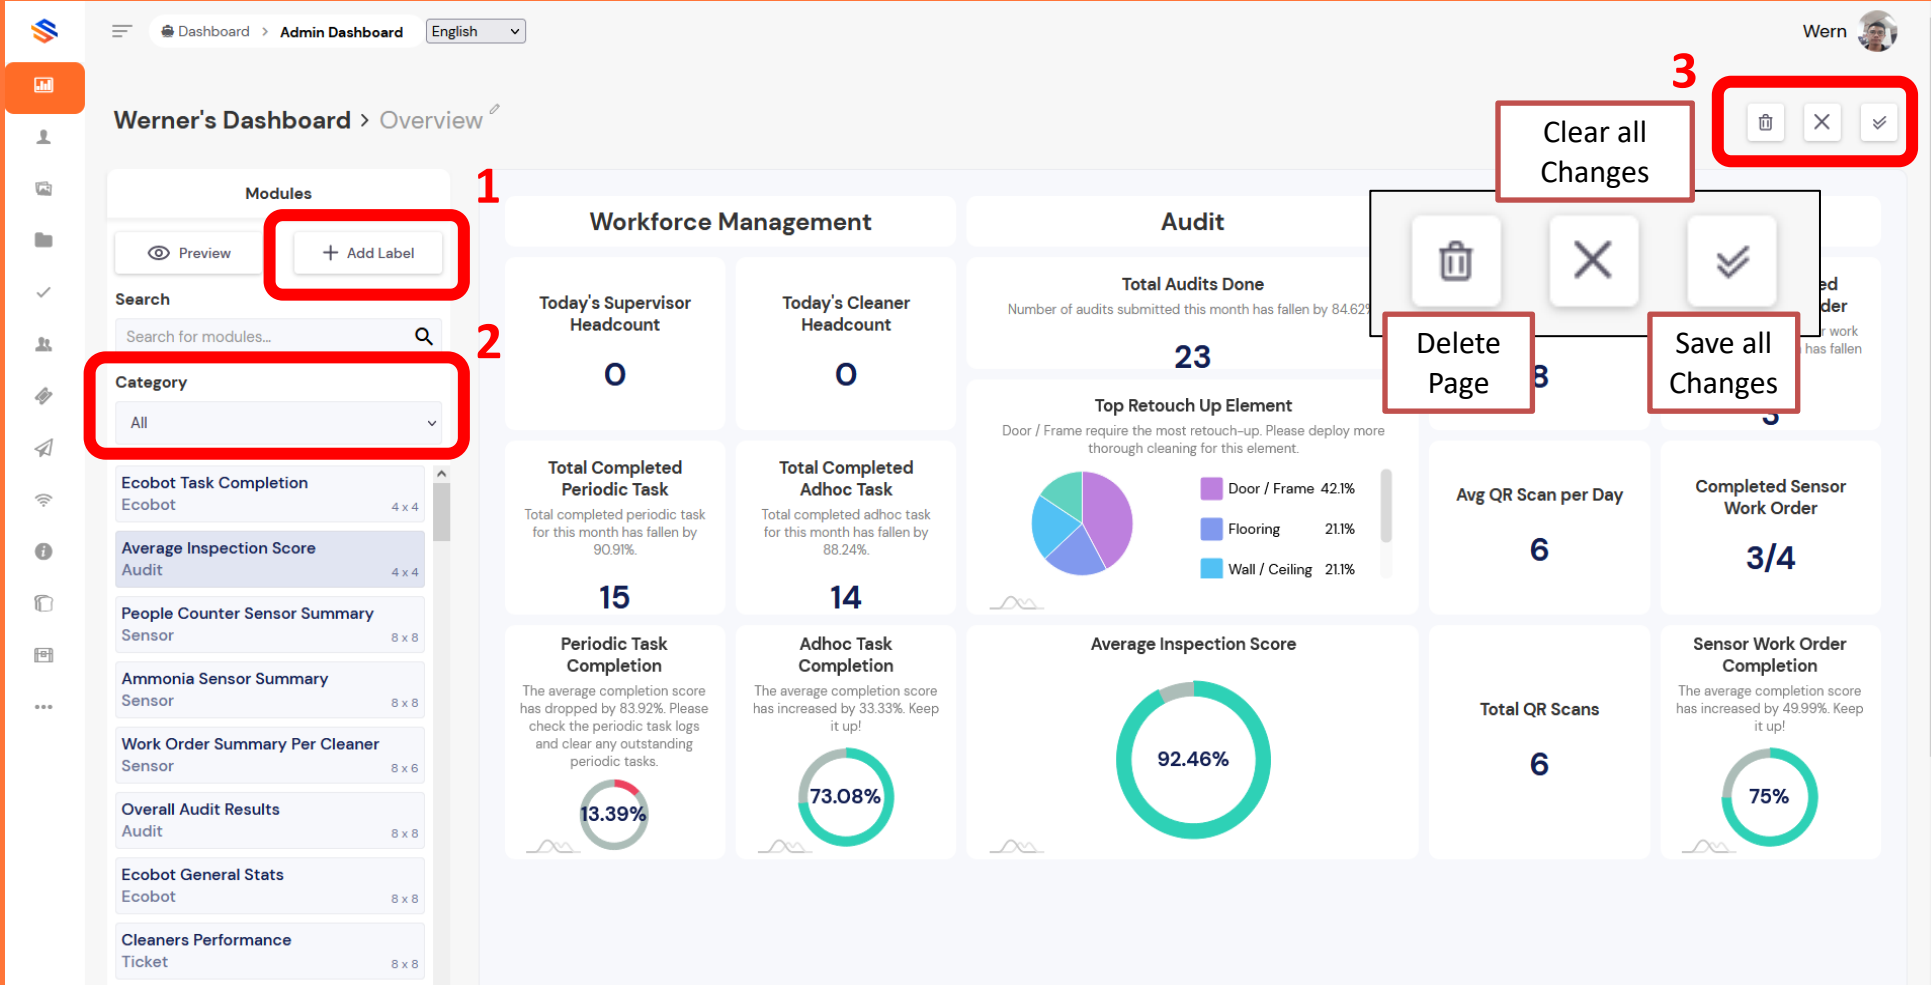

| Task Type                    | Completion Percentage |
|------------------------------|-----------------------|
| Periodic Task Completion     | 13.39%                |
| Adhoc Task Completion        | 73.08%                |
| Average Inspection Score     | 92.46%                |
| Sensor Work Order Completion | 75%                   |

# Editing Pages

Begin editing Cockpit by clicking on the "Edit" Button.

# Customization of Page

The screenshot shows the 'Werner's Dashboard' interface. On the left sidebar, the 'Modules' section is highlighted with a red box and labeled '1'. Below it, the 'Search' bar is highlighted with a red box and labeled '2'. The 'Category' dropdown menu is also highlighted with a red box. In the main dashboard area, the 'Workforce Management' section is visible. To the right, the 'Audit' section is visible. In the top right corner, the 'Clear all Changes' button is highlighted with a red box and labeled '3'. Below it, the 'Delete Page' and 'Save all Changes' buttons are highlighted with red boxes. The 'Save all Changes' button is also highlighted with a red box and labeled '3'.
